

**Inpatient Coding Consultant
&
Outpatient Coding Consultant**

Provider Consulting Solutions, Inc. (PCS) is an established consulting firm located in Clifton Park, NY and New York City specializing in healthcare reimbursement for hospitals. PCS is seeking motivated inpatient and outpatient coding consultants to serve our predominately New York-based clients. Individuals should have a background in project management and/or consulting, with strong analytical, technical and communication skills. The position entails direct interaction with clients and travel within Northeastern US.

EXPERIENCE

- **Inpatient Coding Consultant:**
 - Required: Inpatient coding including ICD-9-CM procedures and diagnosis.
 - Required: Knowledge of Medicare and Medicaid healthcare reimbursement under MS-DRGs and NYS AP-DRGs.
- **Outpatient Coding Consultant:**
 - Required: Experience with Outpatient coding using CPT-4® and HCPCS for ambulatory surgery, interventional radiology and other services.
 - Required: Knowledge of Medicare and Medicaid reimbursement under APCs and APGs.

QUALIFICATIONS

- Required: Coder certification.
- Education: RN, RHIA, RHIT, or BS required, MS/MBA preferred.
- Experience: Minimum 6-10 years working in inpatient / outpatient coding.
